

RACING PRODUCTS

NEW

Racing by Outils Oceans has been created to answer the call for lightweight sturdy rope bags and accessories. With a new design and material, our Racing rope bags are on average 20% lighter. They retain their shape and don't deform. Solid and durable, they have been tested on the new Ultime trimarans and IMOCA Open 60s. Stylish new look in light grey and our reliable quick fixation system to insure easy installation and removal.

OPEN ROPE BAGS

The open rope bags have been developed to stow lines (halyards, sheets...) flaked and ready to run. Their installation is quick and easy. Outils Oceans rope bags have been developed in collaboration with racers and have been proven to be solid and long lasting.
